Product Information Sheet

NATURE OF THE INTEREST OF A COVERED PERSON

Any Member that is accepted by the Insurer as a Covered Person gets access to the cover provided to the Insured under the Master Policy. The Master Policy sets out the terms and conditions of the cover provided by the Insurer.

A summary of this cover prepared by Aon, which advised the Insured in relation to the Master Policy, is set out in the attached Product Information Sheet.

A copy of the Master Policy which contains the full terms and conditions of cover is available from the Insured at no cost.

Covered Persons access the cover by way of a statutory right under section 48 of the *Insurance Contracts Act 1984* (Cth). As a result, Covered Persons are not a contracting insured (e.g. they cannot cancel or vary the Policy – only the Insured can do this) and do not enter into any agreement with the

Insurer. Neither the Insurer nor the Insured hold anything on trust or for the benefit of Covered Persons.

Cost of accessing the Master Policy

The Insured pays a premium agreed with the Insurer. Covered Persons pay the Insured a Fee to access the cover provided under the Master Policy.

The Fee includes an amount to help the Insured pay the premium and to cover administration expenses. The Insured does not receive any remuneration from either Aon or the Insurer in relation to this Master Policy.

When a Covered Person's access to cover starts and ends

The period of cover for a Covered Person is set out in the Product Information Sheet, however, further information in relation to the cover is subject to and set out in the application form and in the Master Policy.

Cancellation or Non-renewal of Policy

If the Insurer cancels the Master Policy any rights of a Covered Person under the Master Policy that arose before cancellation will be unaffected.

If the Insured cancels the Master Policy or the cover provided to Covered Persons, or chooses not to renew the Master Policy, a Covered Person's cover will end.

The Insured may also agree to vary the Policy with the Insurer without the consent of Covered Persons. If any restrictions apply to the Insured's ability to do this they are specified in the Product Information Sheet Product Information Sheet. At present, there are no such restrictions contained in the Policy.

The Insured, however, is required to notify Covered Persons in writing when any of these events occur, at least 14 business days before any such cancellation, non-renewal, avoidance or variation takes place. If the Insured fails to provide notice as required, the Insured must compensate any Covered Persons in respect of any loss arising out of or in connection with the Insured's failure to provide such notice.

Notices sent by Insurer

Any notices of non renewal, variation, avoidance or cancellation of the Master Policy will be sent by the Insurer to the Insured not the Covered Persons. The Insured will notify Covered Persons when this occurs unless otherwise agreed by the Insurer.

Limited Role of Insured

The Insured does not act as the Insurer's agent, does not hold an Australian Financial Services Licence and is not authorised to provide any recommendations or opinions about the insurance or other financial services to a Covered Person on its own behalf or on behalf of the Insurer or any other person.

No advice is provided by the Insurer or the Insured on whether this insurance is appropriate for a Covered Person's particular needs, financial situation or objectives. Before deciding, please read the relevant Product Information Sheet and Master Policy carefully and contact Aon if you require assistance or advice.

Aon Risk Services Role

Aon has arranged the Master Policy based on the instructions of the Insured and acts on its behalf, not the Insurer's or the Covered Persons. Aon is an Australian Financial Services Licensee. It administers the Master Policy arrangement but provides no advice to Members on whether the Master Policy cover is appropriate for their needs unless specifically requested and agreed.
